Recreation Committee Meeting Minutes

Thursday, September 6, 2018
Lamoine Consolidated School Teachers Room, 6:00 PM

Attendance: Amanda Frost, Patti Haslam, Michelle Stoll, Nikki Chan, Jason Trenholm

1. Call to Order

Meeting was called to order at 6:00 p.m.

2. Soccer Program Fall 2018

Michelle Stoll reported that based upon registration papers, 54 students attended the first recreational soccer practice last night. U11 had 20 participate, U8 had 20 athletes participate, and U6 had 13 athletes participate.

The committee then discussed several topics that need to be addressed based on the first soccer practice. These included parking, soccer cleats worn in the building, parent roles for supervision (parents should ALWAYS stay at practice with the children and the coaches), as well as the registration process in general. The committee agreed that next year it would be best to have a registration night in order to clear up some of the congestion/confusion that happened during this year's registration that was during the first practice. The committee also discussed, though, that minus the registration congestion at the picnic table this year's process seemed very smooth and positive as opposed to Fall of 2017's process.

Due to the high number of athletes that registered, the committee had to take time to make rosters that split the U8 and U11 teams. Through this process, the group discussed: 1) ensuring a consistent athlete experience, 2) communicating shared and safe use of the field, 3) expectation of Lamoine Rec coaches, 4) further equipment needs based upon the unexpected number of athletes, and 5) ideas for coaches who would be willing to take on a second U8 and U11 team. The committee decided on two coaches and Amanda volunteered to reach out to one, and the Motion to immediately buy additional equipment needed for the season was made by Nikki Chan, and seconded by Amanda Frost.
